Our advice

- There are numerous award-booking options for Swiss business class through Star Alliance partners. The lowest rates can be found through Air Canada Aeroplan and Avianca LifeMiles.
- When booking through Avianca LifeMiles, it can be tricky to find space due to the program’s clunky search tool.
- Instead, consider first checking for availability through [United’s website](#), where you have the option of seeing availability month by month. When you find flights for 88,000 United miles, you can then cross-check these dates with Avianca or Air Canada to book the cheaper rate.
- If you want to use points from a credit card program, transfer options are available. **Aeroplan:** Amex, Bilt, Capital One, Chase. **Avianca:** Amex, Bilt, Capital One, Citi, Wells Fargo.
