Tips and tricks

- There are numerous award booking options for Austrian Airlines business class, mainly with Star Alliance partners.
- Citi ThankYou Rewards points currently come with a **25% transfer bonus** to Avianca LifeMiles, which means you could book this flight for as little as **50,400 ThankYou points**.
- Holders of the **Chase Aeroplan® Credit Card** receive a 10% bonus when they transfer Chase Ultimate Rewards points to Air Canada Aeroplan.
- When booking through Avianca LifeMiles, it can be tricky to find space due to the program's clunky search tool.

Step-by-step instructions

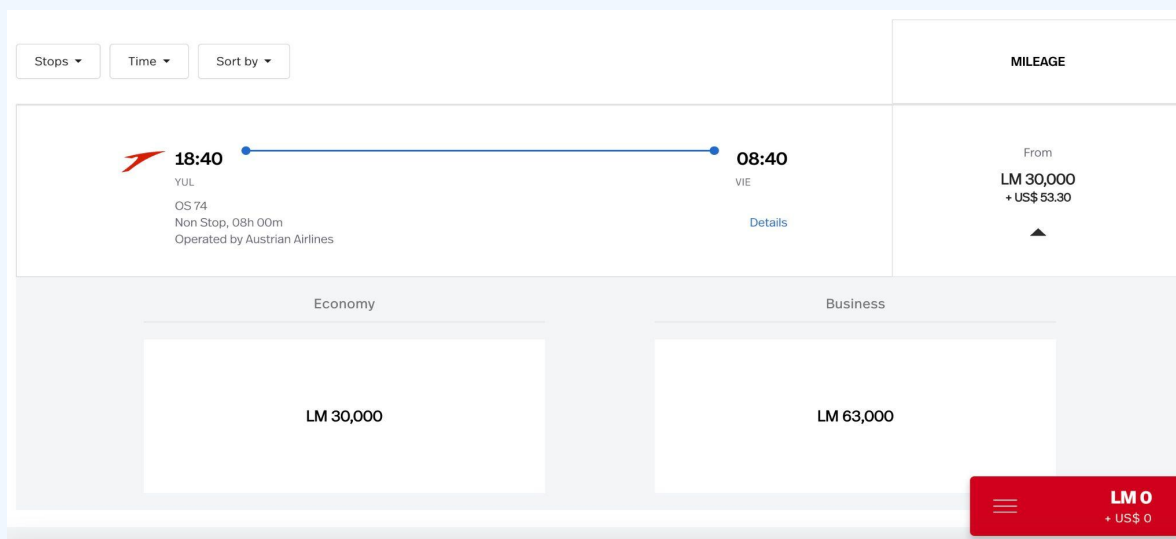

1. Visit the Avianca LifeMiles site.
2. Enter the origin and destination airports.
3. Leave the date field blank.
4. Use the Avianca LifeMiles award calendar to find the relevant dates.
5. Call Avianca LifeMiles to verify the award space and hold the seats.
6. Transfer points if needed (this usually happens instantly).
7. Book the flight.

Notes:

- Up to one business-class seat is available per flight.
- There is limited award space via Avianca.
- While Avianca LifeMiles offers the lowest award rate, United MileagePlus has the most award space and lowest fees.

SCREENSHOT

The screenshot shows a flight search interface on the Avianca LifeMiles website. At the top, there are filters for 'Stops', 'Time', and 'Sort by'. The main flight card displays a route from YUL (18:40) to VIE (08:40) via OS 74, operated by Austrian Airlines. Below the flight details, there are two columns for 'Economy' and 'Business' classes. The Economy class is priced at LM 30,000, and the Business class is priced at LM 63,000. A red button at the bottom right of the Business class card shows 'LM 0 + US\$ 0'.
