Tips and tricks

- There are numerous award-booking options for Royal Jordanian Airlines business class, largely with Oneworld alliance partners.
- The major benefit of having multiple booking options for Royal Jordanian is the ability to transfer miles from almost any program with a flexible currency.
- Citi ThankYou Rewards and American Express Membership Rewards both currently have a [20% transfer bonus](#) to Qatar Airways Privilege Club. Your Qatar Airways Avios could then be transferred to British Airways to be used for this redemption.
- You can currently transfer American Express Membership Rewards points to Alaska Airlines Mileage Plan by first transferring them to Hawaiian Airlines HawaiianMiles, then transferring those HawaiianMiles to Mileage Plan.

Step-by-step instructions

1. Visit the American Airlines AAdvantage site.
2. Enter the origin and destination airports.
3. Use the American Airlines AAdvantage award calendar to find the relevant dates.
4. Call American Airlines AAdvantage to verify the award space and hold the seats.
5. Book the flight.

Notes:

- While American Airlines and Alaska Airlines only have one business-class seat available per flight, other Oneworld programs have up to two business-class seats available for most flights.
