# How To Transfer Points

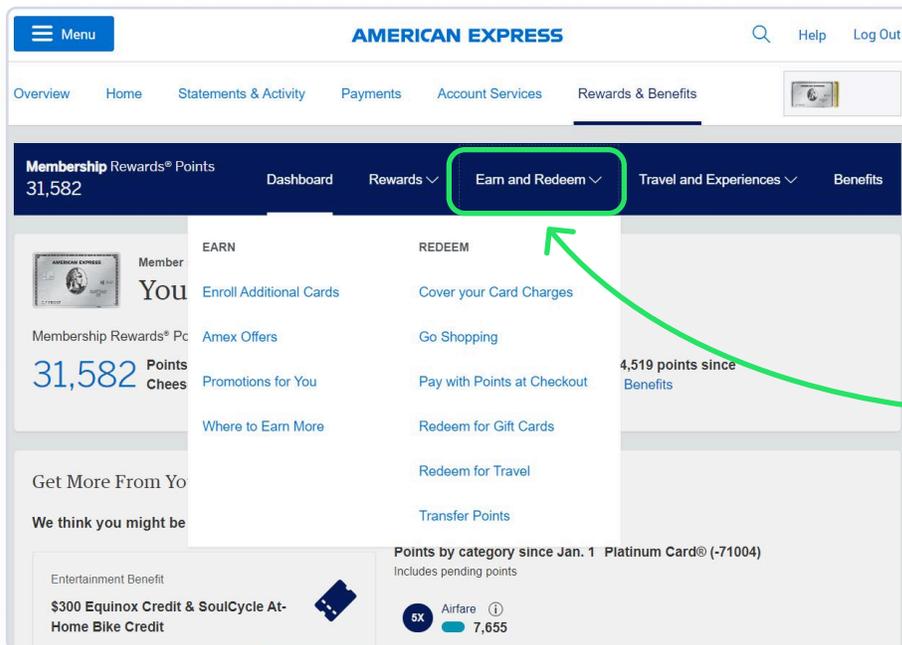

## HOW TO TRANSFER POINTS:

# American Express

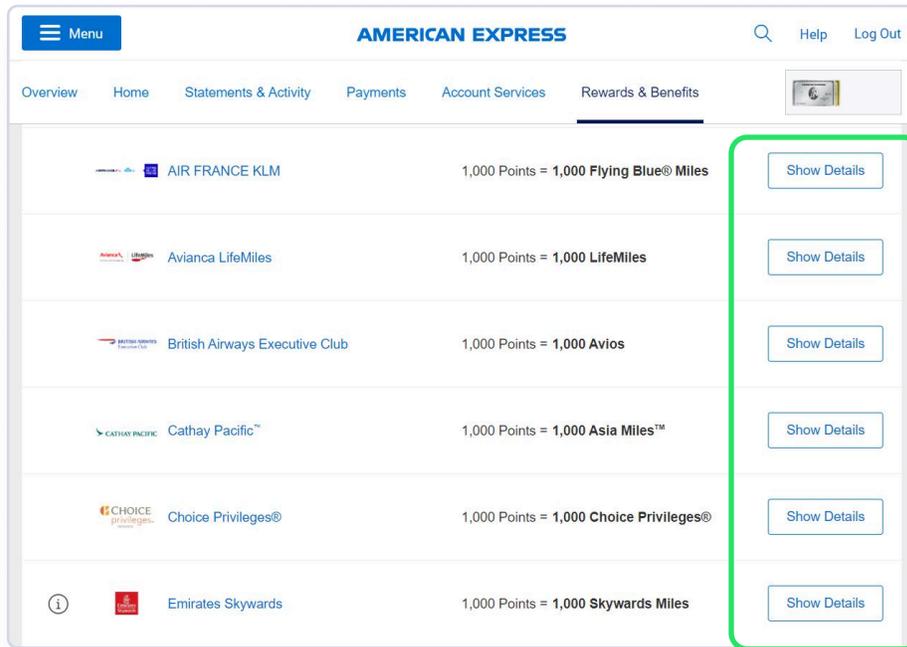

1. Log in to your American Express account and click on “Rewards & Benefits” from the navigation menu or “Explore Rewards” to access the Membership Rewards homepage.

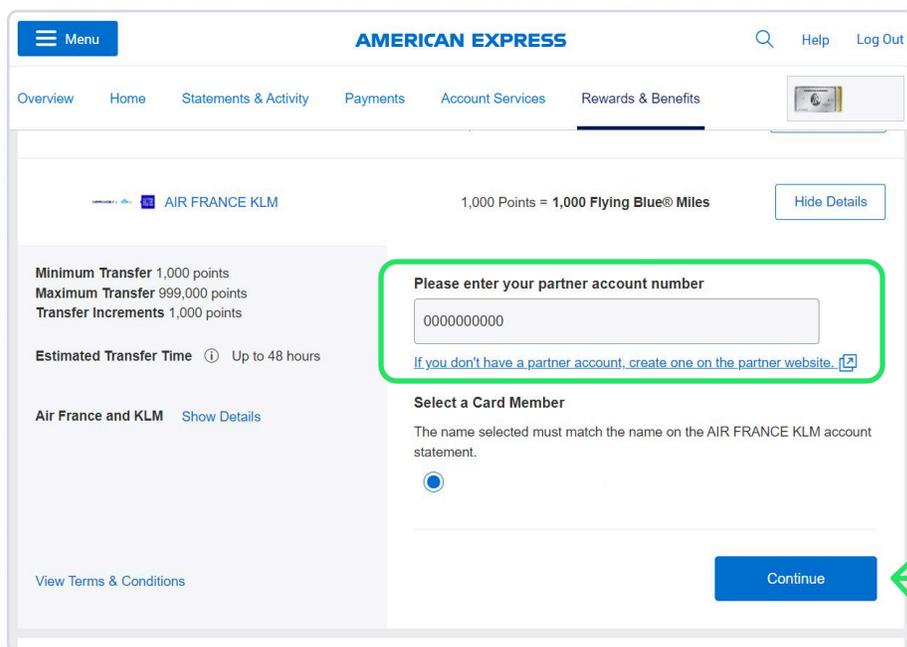

2. Click on the dropdown menu titled “Earn and Redeem” and select “Transfer Points”.

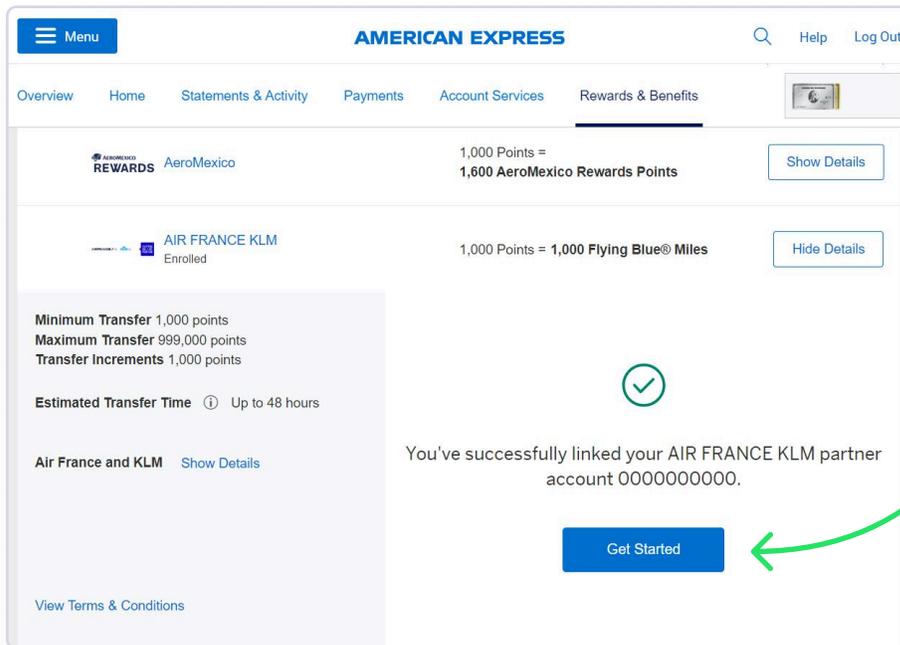

3. Scroll down to the airline or hotel loyalty program you would like to transfer your points to and select “Show Details” to link your account. **Note: You must first create a loyalty program account with the airline or hotel you would like to send points to before transferring.**

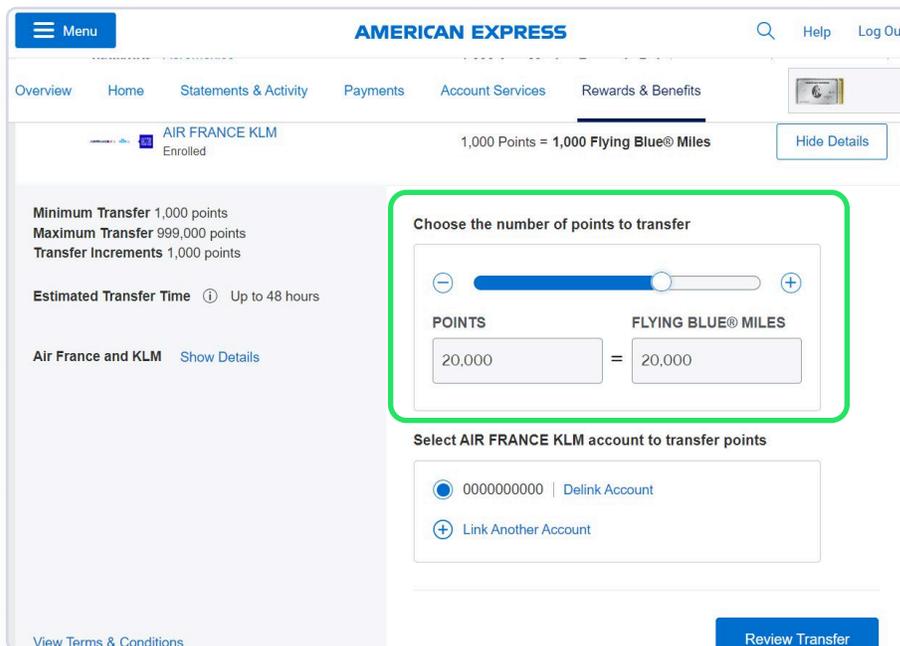

4. Enter your loyalty program account number and press “Continue”. **Note: You may be prompted to verify some information before your accounts are linked.**

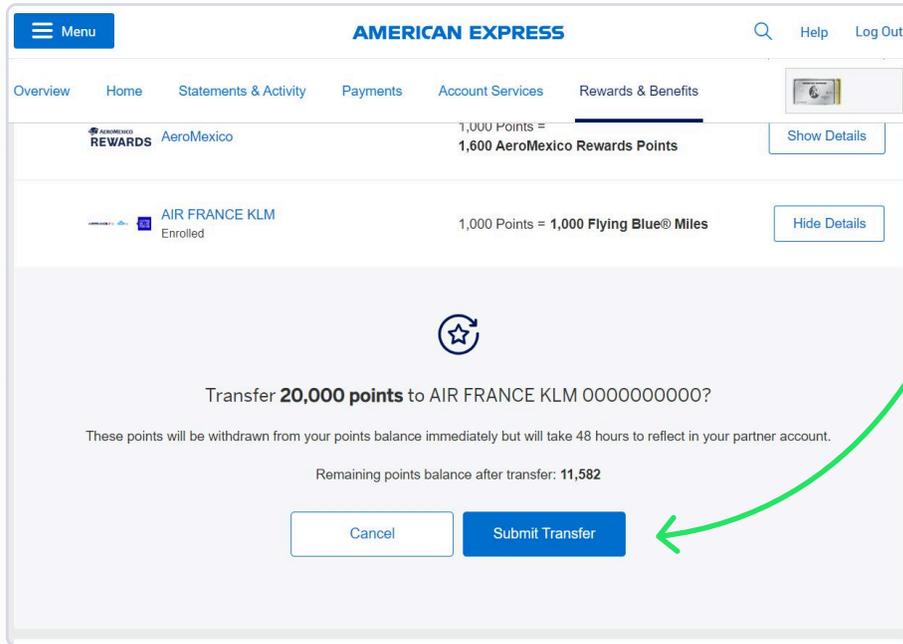

5. Your loyalty program is now linked to your American Express account! You can begin the transfer by selecting “Get Started”.

6. Enter the number of American Express Membership Rewards points you would like to transfer and select “Review Transfer”.

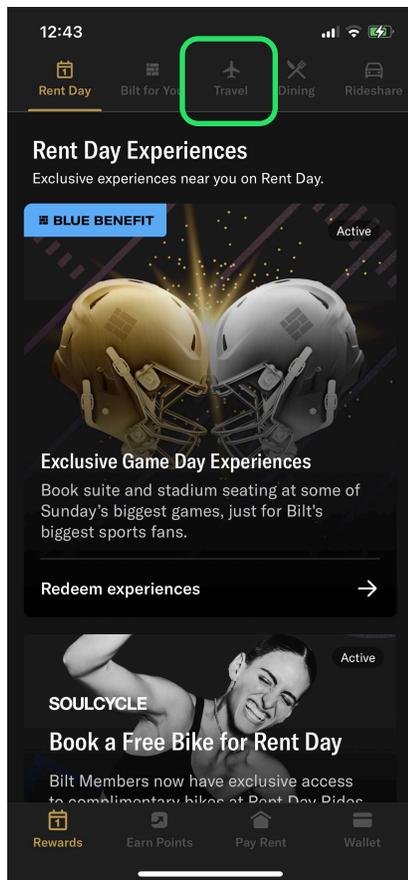

7. Verify the details on your screen are correct one more time, and select “Submit Transfer”.

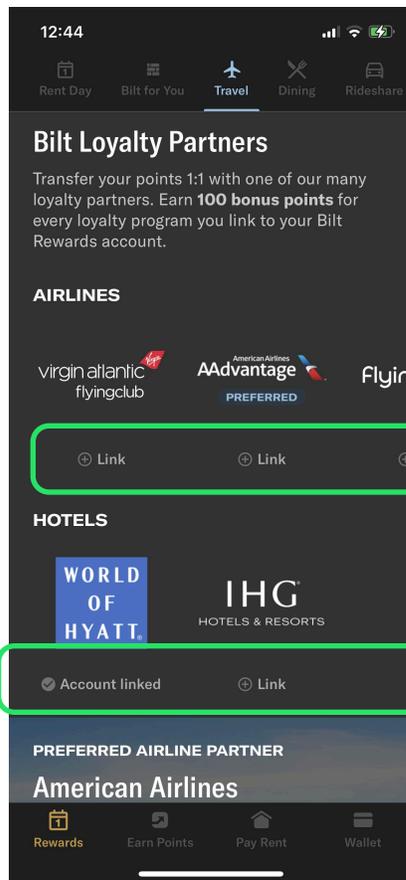

## HOW TO TRANSFER POINTS:

# Bilt

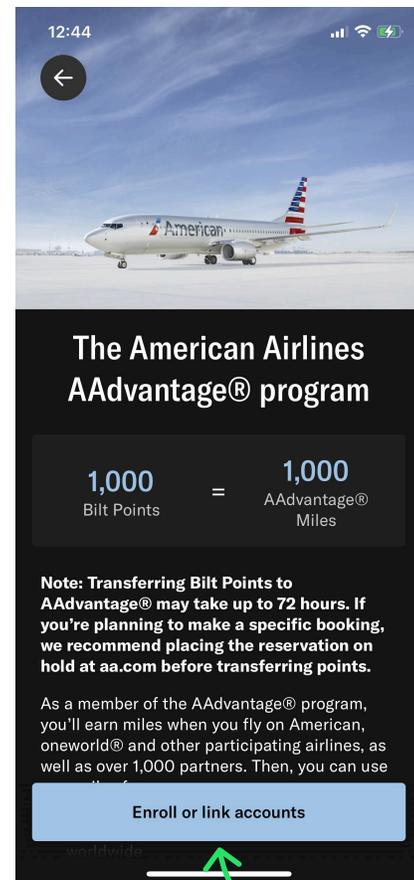

1.

To transfer your Bilt points, log in to the Bilt mobile app and select the “Travel” tab at the top of the page.

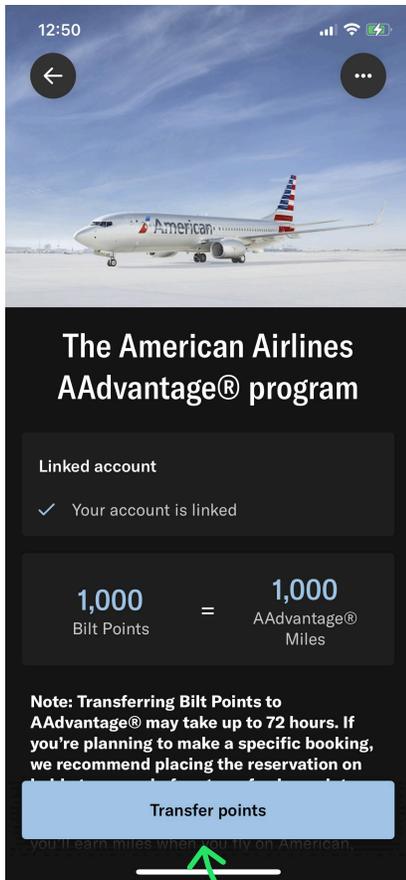

2.

Scroll down to the section titled “Bilt Loyalty Partners” and select “Link” for the airline or hotel loyalty program you would like to transfer points to. **Note: You must first create a loyalty program account with the airline or hotel you would like to send points to before transferring.**

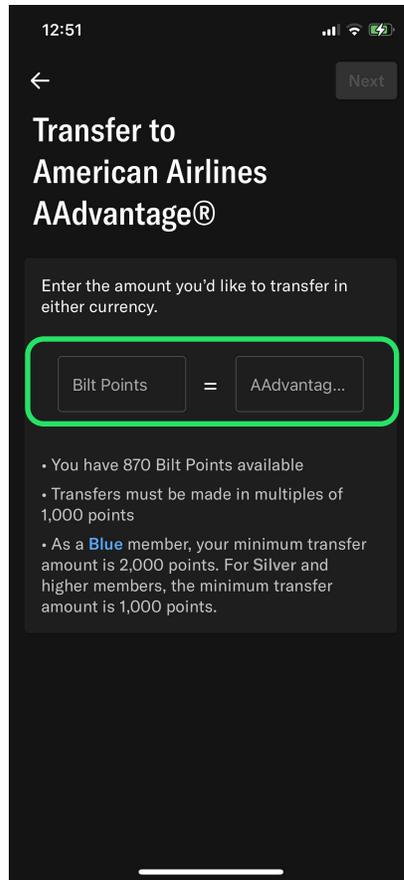

3.

Select “Enroll or link accounts” and enter your loyalty program account number. **Note: You may be prompted to verify some information before your accounts are linked.**

4.

Once you have successfully linked your account, select "Transfer points".

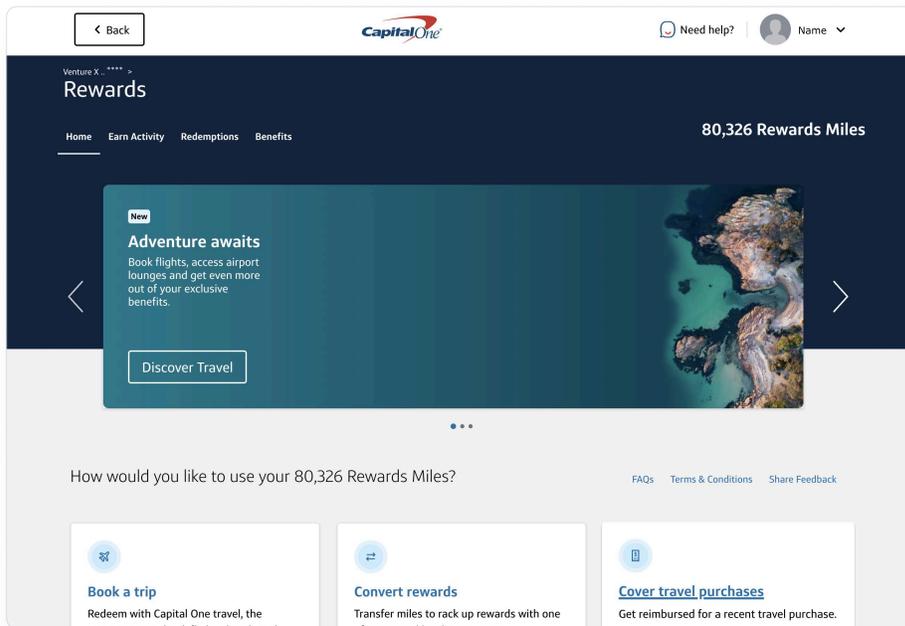

5.

Enter the number of Bilt points you would like to transfer and select "Next".

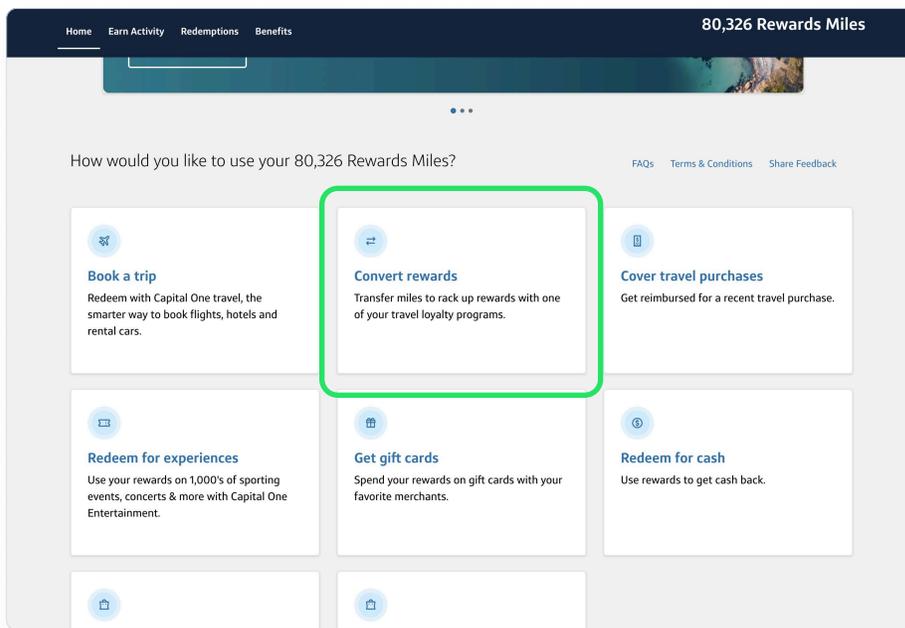

## HOW TO TRANSFER POINTS:

# Capital One

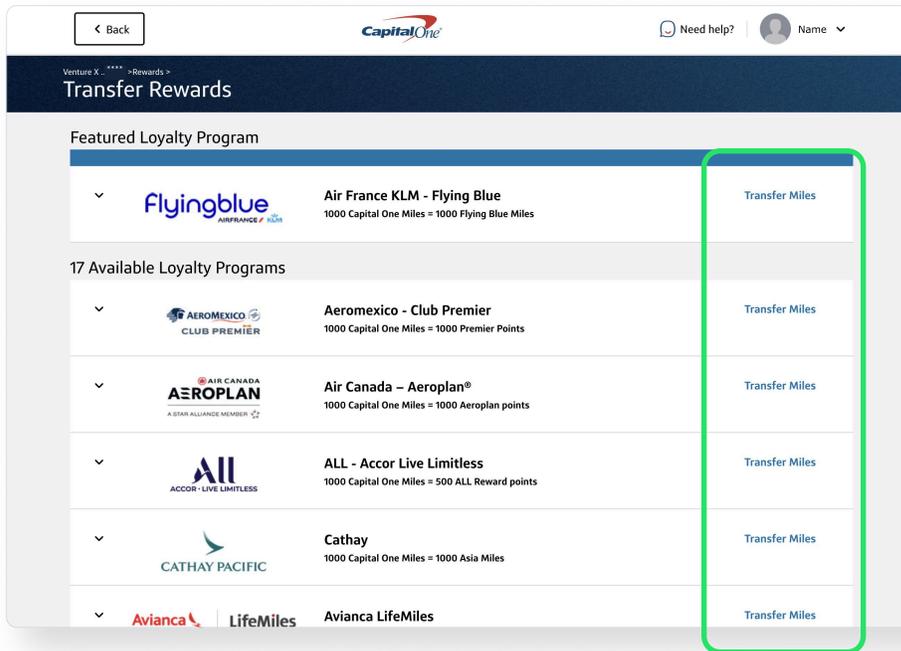

1. Log in to your Capital One account and click on “View Rewards” to access the rewards homepage.

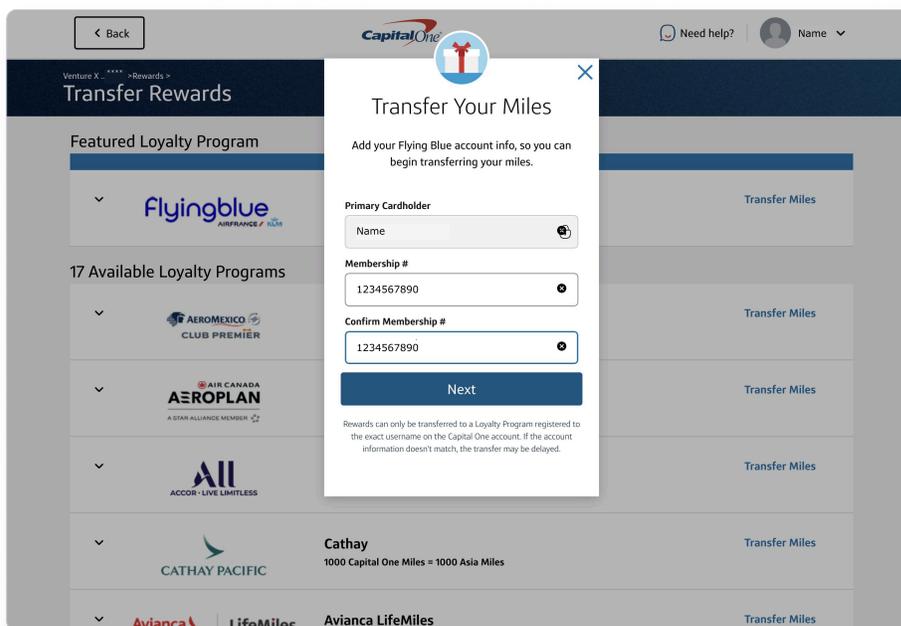

2. Scroll down on the page and select “Convert rewards”.

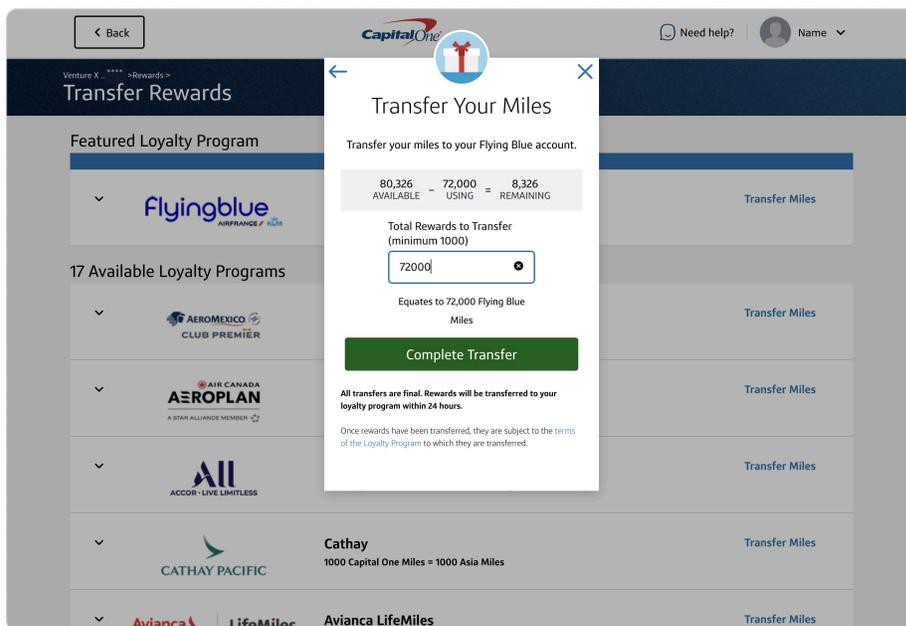

3. Scroll down to the airline or hotel loyalty program you would like to transfer your points to and select “Transfer Miles” to link your account. **Note: You must first create a loyalty program account with the airline or hotel you would like to send points to before transferring.**

4. Enter your loyalty program account number and press “Next”. **Note: You may be prompted to verify some information before your accounts are linked.**

5. Your loyalty program is now linked to your Capital One account! Enter the number of miles you would like to transfer and select “Complete Transfer”

## HOW TO TRANSFER POINTS:

# Chase

1. Log in to your Chase account and click on “Rewards” to access the Ultimate Rewards homepage.

The screenshot shows the Chase Ultimate Rewards homepage. At the top, there's a navigation bar with "Account" and "Sign out" options. Below that, the "Ultimate Rewards®" logo is followed by a "Home" button and several dropdown menus: "Rewards details", "Convert to cash", "Shopping & Experiences", and "Travel". On the right, a credit card icon shows "CREDIT CARD (...XXXX) 18 pts".

The main content area features a card for the "Chase Sapphire Preferred\* (...XXXX)" with "18 Available points" and "248 Pending points". Below this, there are two sections: "Your earnings" and "Recent points activity".

**Your earnings** (Since Jan 2023 statement cycle):

Category	Points
3 pts dining purchases	182 pts
3 pts select streaming & online grocery	637 pts
2 pts travel purchases	1,932 pts
+3 pts on Chase Travel	0 pts
All other earnings	0 pts

**Recent points activity**:

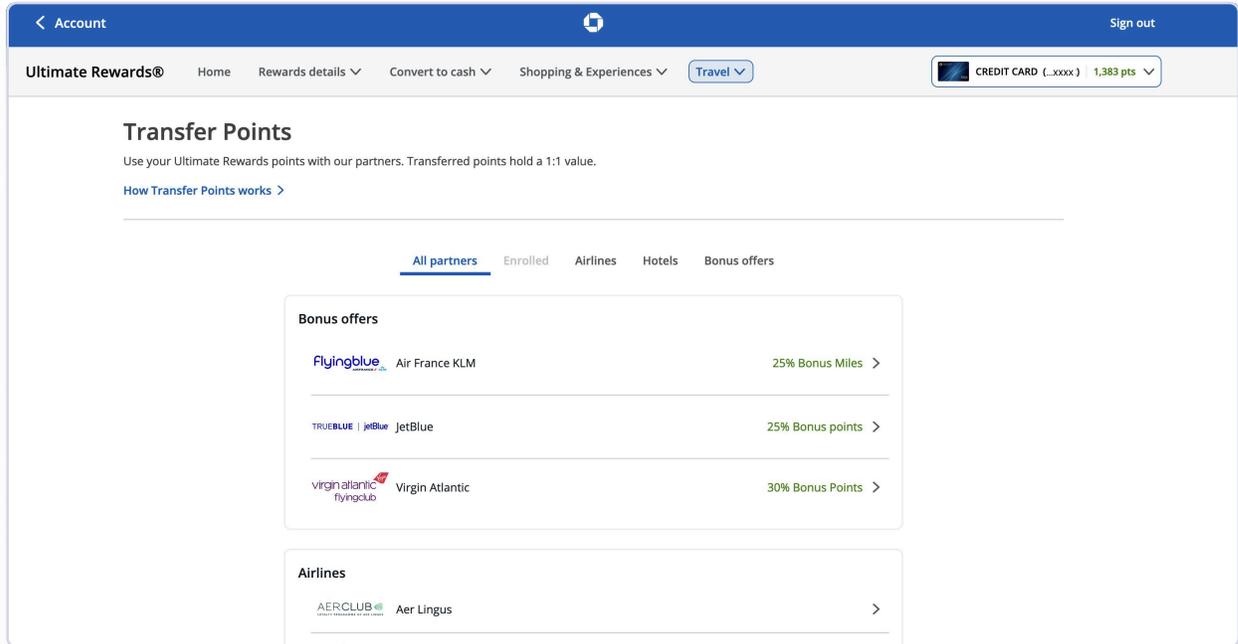

Transaction	Date	Points	Amount
AVIS RENT-A-CAR	Oct 28, 2023	-9,830.48 pts	-\$4,915.24
GOOGLE *YouTube TV	Oct 24, 2023	248.01 pts	\$82.67
AVIS RENT-A-CAR	Oct 24, 2023	9,830.48 pts	\$4,915.24

A "See rewards activity" button is located at the bottom of the "Recent points activity" section.

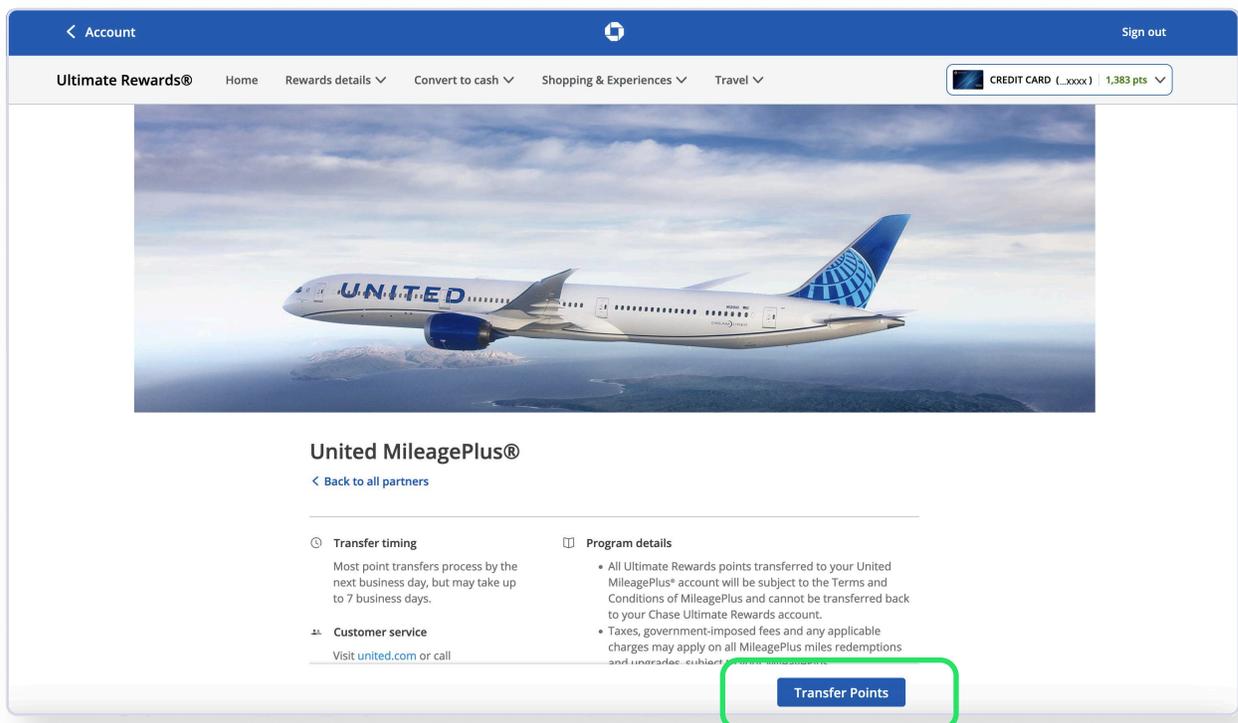

2. Click on the dropdown menu titled “Travel” and select “Transfer Points to Partners”.

This screenshot is identical to the previous one, but with the "Travel" dropdown menu open. The menu options are "Book travel" and "Transfer points to partners". A green arrow points from the "Transfer points to partners" option to the right side of the page.

3. Scroll down to the airline or hotel loyalty program you would like to transfer your points to and select the arrow on the right hand side. **Note: You must first create a loyalty program account with the airline or hotel you would like to send points to before transferring.**

4. Select "Transfer Points".

5. Enter your loyalty program account number and press “Next”.

The screenshot shows the Chase Ultimate Rewards account page. At the top, there is a navigation bar with "Account" and "Sign out" options. Below the navigation bar, there are several menu items: "Ultimate Rewards®", "Home", "Rewards details", "Convert to cash", "Shopping & Experiences", and "Travel". On the right side, there is a dropdown menu showing "CREDIT CARD (...xxxx) | 1,383 pts". The main content area is titled "Step 1 of 3" and "UNITED MileagePlus". The heading is "Enter your United MileagePlus® details". Below this, there is a section titled "Confirm card user" with a sub-heading "Confirm card user". The text reads: "You can only transfer points to yourself or one additional authorized user on your account. For questions about authorized users, visit our FAQs." Below this, there is a section titled "Tell us your United MileagePlus® account number". The text reads: "By choosing an authorized user, you are designating this person as the user on your account eligible to receive this point transfer." Below this, there are two input fields: "Mileage Plus® Number" and "Confirm Mileage Plus® Number". Both fields contain the text "ABC12345". At the bottom right, there is a blue "Next" button.

6. Enter the number of Chase Ultimate Rewards points you would like to transfer and select “Next”.

The screenshot shows the Chase Ultimate Rewards account page. At the top, there is a navigation bar with "Account" and "Sign out" options. Below the navigation bar, there are several menu items: "Ultimate Rewards®", "Home", "Rewards details", "Convert to cash", "Shopping & Experiences", and "Travel". On the right side, there is a dropdown menu showing "CREDIT CARD (...xxxx) | 1,383 pts". The main content area is titled "Step 2 of 3" and "Tell us how many points you want to transfer". Below this, there is a section titled "Tell us how many points you want to transfer". The text reads: "Ultimate Rewards points" and "1,000". Below this, there is a note: "You have 1,383 available points. Points must be transferred in increments of 1,000." Below this, there is another note: "Transferred points hold a 1:1 value." At the bottom right, there is a blue "Next" button.

7. Verify the details on your screen are correct one more time, and select “Submit”.

The screenshot shows the 'Review transfer details' step of a point transfer process. At the top, the user's current balance is 97,528 pts. The transfer is from a credit card to a United MileagePlus account. The credit card side shows a current balance of 97,528 pts, with 5,000 pts being moved, leaving a new balance of 92,528 pts. The MileagePlus side shows 5,000 pts being received. A 'Submit' button is at the bottom.
